<p>Pre-Planning 12-20 Wyvil Road SW8</p>	<p>A new 35 storey tower is being proposed for the forthcoming Vauxhall cluster of high rise buildings. K2 Property and Network Rail have joined forces to develop 12-20 Wyvil Road, a plot of land bordered by the 120m Sky Gardens tower (under construction), 125m Keybridge House (consented) and a variety of industrial buildings. The tower will be slightly shorter than Sky Gardens, at approximately 114m AGL, although this could change as the architect has been asked by the GLA to consider changing roof profile to add interest, perhaps similar to the way this is done on Keybridge House.</p>
